

SUSTAINABILITY POLICY

ISIS Printing Limited

We are committed to minimizing our environmental impact and promoting sustainable practices in all aspects of our operations. As a small printing company based in the UK, we recognize the importance of integrating sustainability into our business model to contribute positively to the environment and society.

1. Environmental Responsibility:

- We will comply with all relevant environmental laws, regulations, and standards applicable to our industry.
- We will strive to reduce our carbon footprint by minimizing energy consumption, optimizing transportation routes, and adopting energy-efficient technologies.
- We will minimize waste generation by implementing waste reduction strategies, promoting recycling, and responsibly disposing of any unavoidable waste.
- We will monitor our resource usage, including water and paper, and implement measures to minimize consumption and waste.

2. Sustainable Procurement:

- We will prioritize sourcing materials and products from suppliers who share our commitment to sustainability and ethical practices.
- We will seek to use recycled and eco-friendly materials wherever possible, including paper, inks, and packaging.
- We will consider the environmental impact of our purchasing decisions, giving preference to products with minimal packaging and those with environmentally friendly certifications.

3. Promotion of Sustainable Practices:

- We will raise awareness among our employees about the importance of sustainability and provide training on environmentally friendly practices.
- We will encourage our customers to choose sustainable printing options, such as recycled paper and digital proofs to reduce paper waste.
- We will collaborate with our clients to explore sustainable printing solutions and provide guidance on eco-friendly alternatives.

4. Continuous Improvement:

- We will regularly review and evaluate our sustainability performance, setting measurable objectives and targets for improvement.
- We will invest in research and development to explore innovative technologies and practices that can further enhance our sustainability efforts.
- We will engage with stakeholders, including employees, customers, suppliers, and the local community, to gather feedback and ideas for improving our sustainability practices.

5. Transparency and Reporting:

- We will communicate openly and transparently about our sustainability initiatives, sharing our progress and challenges with stakeholders.
- We will actively seek feedback from stakeholders to ensure accountability and continuous improvement in our sustainability efforts.

At ISIS Printing Ltd. we recognize that sustainability is not just a goal but a journey towards a better future for our planet and future generations. By integrating sustainability into our business practices, we aim to make a positive impact on the environment while serving the needs of our customers and community. Together, we can build a more sustainable and resilient future.
